Dear Michael:

Thank you again for taking the time to investigate the opportunity here at Discover America. I have included all documents necessary for your review. Please keep in mind that this information is confidential, which is why I have included our non-disclosure agreement for your review and signature.

After reviewing our financial models, I have determined that upon reaching a critical mass of 200 kiosks, the cost to service each unit would be approximately \$2,400/month. This would include the lease payment as well as a prorated amount of Discover America's total overhead.

Please give me a call if you require additional information. I look forward to our next visit.

Sincerely,

David C. Loy
